Alma Mater

We raise our voices now to
greet thee
Our school, our Cradock
High.
Many thoughts are ever with
thee,
To remain and never die.
Days of value always linger
In memories long gone by.
Our love for you grows ever
deeper
As we strive for goals so
high.

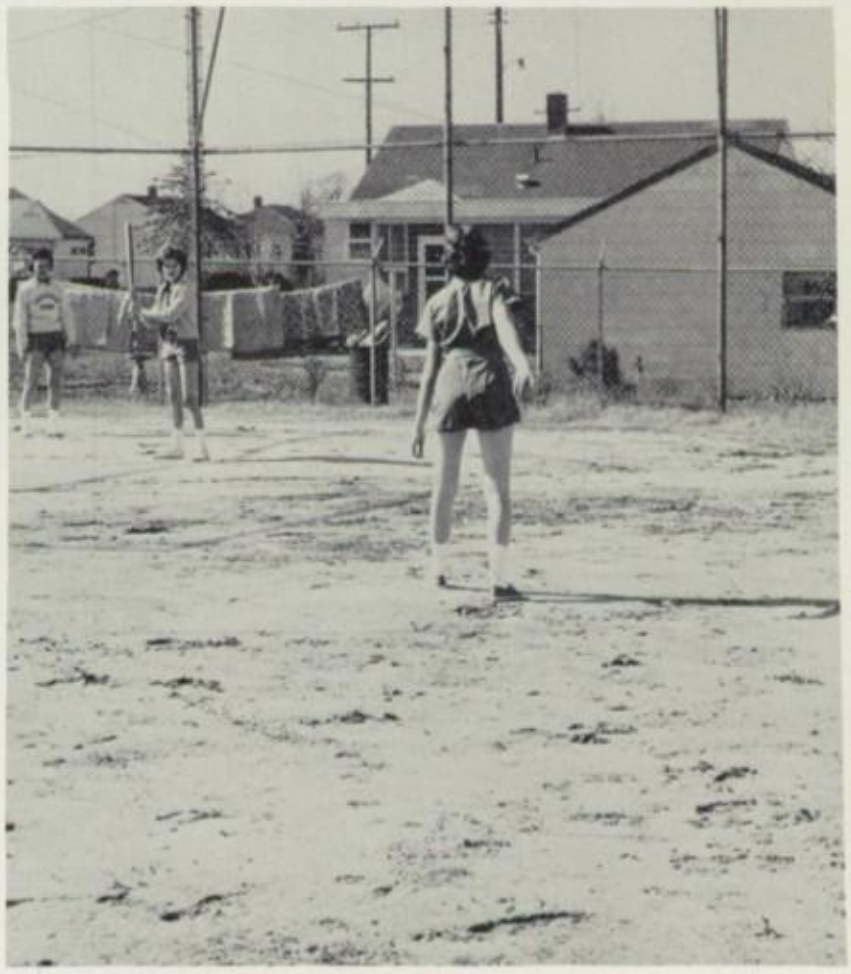
Foreword

The 1962 ADMIRAL commemorates its 25th year of publication as it brings to you a memory of Cradock's growth, achievements, and happy times.

Since 1938, Cradock has made many strides. Her enrollment has grown to over 1,700. Her walls have expanded to new ground. And her 25-page yearbook has grown into one of the finest high school publications in Virginia.

We are proud of Cradock's growth. We cherish her memory of happy times. We remember freshman initiations, football games, club activities, and school dances. We think of our last prom, our last homecoming, and our graduation with deep feeling and love for our alma mater.

How proud we are of Cradock's growth and achievements! We, the Class of 1962, only hope that we too have brought credit to Cradock High School.



We gratefully Dedicate . . .

In recognition of time, service, and self, we, the Senior Class of 1962, gratefully dedicate our ADMIRAL to Mrs. Patricia B. Metzler.

Her guidance and direction has led many of us through our high school days. Her friendship has been felt by each of us. We will ever be grateful to her for her support and for her faith in our class, the Class of 1962.

Barbara
It has been
a real pleasure
having had you in class
these two years. You
have a pleasant manner
and speech. You are
certainly a very attractive
young lady.
may life always
be good to you
Sincerely,
Pat Metzler

In Recognition of

Time . . . Service . . . Self

ADMINISTRATION

Mr. A. J. Mapp, Jr.

In the hands of the School Board is placed the future of the Cradock students. The Board has the authority over important rules and regulations.

These prominent men, well versed in the problems of school students, prove their wisdom and understanding many times in solving and eliminating worries.

School Board

Portsmouth City School Board

Standing left to right: Guy Morris, Asst. Supt., B. M. Hutchins, C. Bradford Russell, Burl Johnson, J. H. Griffin. **Seated left to right:** J. T. English, C. H. Porter, Dr. M. A. Kise, Chr., A. J. Mapp, Supt., R. T. Daughtrey.

Mr. J. J. Booker, Jr.
Principal
University of Richmond, B.S.
William & Mary, M.A.

To the members of the senior class individually we wish to express our appreciation for the contributions you have made to this school during the past four years. Your places of influence in our school life will be hard to fill and rightfully so since we always look to the senior class for leadership.

To say one is missed is a compliment and you will be missed next year!

We wish to thank and commend those who had a part in making this the 1962 edition of the **Admiral** possible. It represents many hours of untiring work in order to bring to you, the student body, a pictorial account of the school year.

Our Class History

"We love Seniors, we love Seniors!" All three floors of Cradock High School were filled with students on their knees singing this age old saying in a monotone. An outsider might ask any person in the hall what was going on and the reply would be, "It's Freshman initiation." There were skinned noses, hoarse voices and a lot of tired people. The year was 1959 and we, the Seniors of 1962, had made our entrance into High School.

The newness soon wore off and the freshman class set about organizing itself. Our first business transaction was the election of class officers. At the first class meeting we elected Janice Hammond, president; Frank Bryant, vice-president; Pam Hall, secretary; and Gail Edwards, treasurer. Our SCA representatives were Janice Hammond, Donna Hahn, Pam Hall, and John Cannon. Our freshman class sponsors were Miss Elizabeth West and Miss Cora Mae Fitzgerald.

Never able to be serious for long, we soon busied ourselves with the more frivolous activities, the Freshman-Sophomore Prom. Our theme was "Mardi Gras" and the gym looked just like New Orleans.

As sophomores we decided to settle down and make one of the best classes Cradock had ever seen. We thought the best way to set about achieving this goal would be in extra-curricular activities. Eddie House was the tool we used. Along with the rest of the "Fighting Admirals", Eddie led our team in a 6-3-1 football season. Again steering our class in wise channels was Janice Hammond, president; Frank Bryant, vice-president; Donna Hahn, secretary; and Dolly Terry, treasurer. Miss West and Miss Fitzgerald gave us helpful hints and helped to make our prom, "South Pacific" a huge success.

At last we were upper classmen and we had to act the part. We were very proud of Janice Hammond, vice-president of the SCA; Merlene Waite, associate editor of the Annual; and Butch Blow, who went to the National Science Fair.

Our class leaders were Pam Hall, president; Chris Martin, vice-president; Delena Jones, secretary; and Gail Edwards, treasurer.

Our Prom chairmen, Harriet Nelson and Martha Rea Butler, along with Mrs. Metzler's and Mr. Wulzer's able assistance, made "Evening in Paris" the most wonderful dance ever.

As another first, we designed our own class rings and thought that Balfour would never deliver them. Finally in June they arrived and how proud we were!

This year, 1962, we have reached the summit for we are Seniors at last! We remember our last three years with pride, but this year has been the best. We realized that all Cradock hoped to be was in our hands and it made us humble and yet proud of our position as school leaders.

Again we elected capable Janice Hammond, president; Pam Hall, vice-president; Martha Rea Butler, recording secretary; and Joyce Blake, corresponding secretary.

Our beloved Mrs. Adamson was our sponsor, assisted by Miss Ann Lumsden.

We paid tribute to one of our hard working Junior sponsors, Mrs. Metzler, by dedicating our annual to her.

Slowly our last year slipped away and we remember Freshman Week, Homecoming, our little German girl, Basketball season, the Senior Class play, Baby Day, the Junior-Senior Prom, The Senior Banquet, SCA elections and finally Exams.

This year was filled with many good times and wonderful memories. We shed tears at Baccalaureate and Graduation, but as we leave our beloved Cradock High School, we remember our motto, "In ourselves our future lies."

Class Poem

As foundlings we all began
When tossed on Life's cruel sea.
Never one thought did we have
As to what our lives were to be.

As we struggled for security
We came to realize
That beyond the distant horizon
Our entire future lies.

As we climb to solid ground
And our lives roll swiftly on,
We must realize our goals
Before the chance is gone.

Now is the time of decision—
We must learn to control our ships.
As we sail into the future
We must build on leadership.

Class Song

Here we stand at the threashold,
Looking out on the world we face
Beyond us stretch the untrodden
paths, that lead from this dear
place,
Onward to the future we are mov-
ing.
But we face it not with fear
For the lives we shall be building,
Had a firm foundation here.

The Junior Class

Junior Class President
Cheryll Poe

Cheryll Poe led the Junior Class this year. Through the conscientious help of our officers, the Juniors have had a very successful year.

At last we have reached the big highway. Our first stop sign was the long awaited period of getting our class rings. Our second stop sign was the big event of the year, the Junior-Senior Prom. It was a very successful event.

The Juniors have had a very wonderful and exciting year and we are looking forward to our Senior year.

The Sophomore Class

Sophomore Class President
Harvey Bryant

Through the fine school spirit and cooperation of the class of '64, we were able to enjoy thoroughly our year as "wise fools."

Mrs. Wood and Miss Fary, our capable sponsors, contributed greatly to our success.

Our last Freshman-Sophomore Prom was our most memorable project and our Prom Chairmen directed it wonderfully.

Truly this year shall remain in our memories even at the climax of our last year at "our unconquered Cradock High."

The Freshman Class

Freshman Class President
Jackie Taylor

This being our first year as high school students of Cradock High, we launched upon new and exciting challenges, one of which was undergoing the acts of initiation carried out by the upperclassmen. We were really made to feel like freshmen at the "Back to School" Dance held in the fall.

After the fun was over, we settled down to work in our class and other activities.

The Prom, being the main event of our Freshman year, could not have been successfully carried out without the help of the Sophomore Class.

We are looking forward to our next three years at Cradock.

Barbara,
Hope you will remain as sweet and nice as you are now. Best of luck in everything you do.
Jackie

It is with great pride that we, the largest Eighth Grade Class, though not the first to participate in Cradock High's activities, have successfully installed class officers and readily contributed our time and talents to clubs, activities, and sports.

Under the excellent supervision of Mrs. Pollard and the class officers we hope to be a credit to our school.

The entire class is looking forward to the coming years at Cradock because this year has been so profitable and enjoyable.

Barbara.

I really don't know where to begin I really don't know how to put into words what your friendship has meant to me. How many times have I spilled my problems to you and the things and times that you have spilled ~~your~~ to me. Your personality has won you many friends, for example the first time I saw you I said to myself there that Barbara DePriest sitting across the room, yeller she sure is stuck-up. But after day in your class and being around you I found out what a pleasing person you are.

Next year is going to really bring ~~be~~ by and a ~~boy~~friend myself wishing that next year wouldn't be over last year. So this summer and next year lets see more dear friends. I am sure that I haven't said things that are not clear in this book. But words can't express what your friendship has meant to me.

Love ya.
Deanie

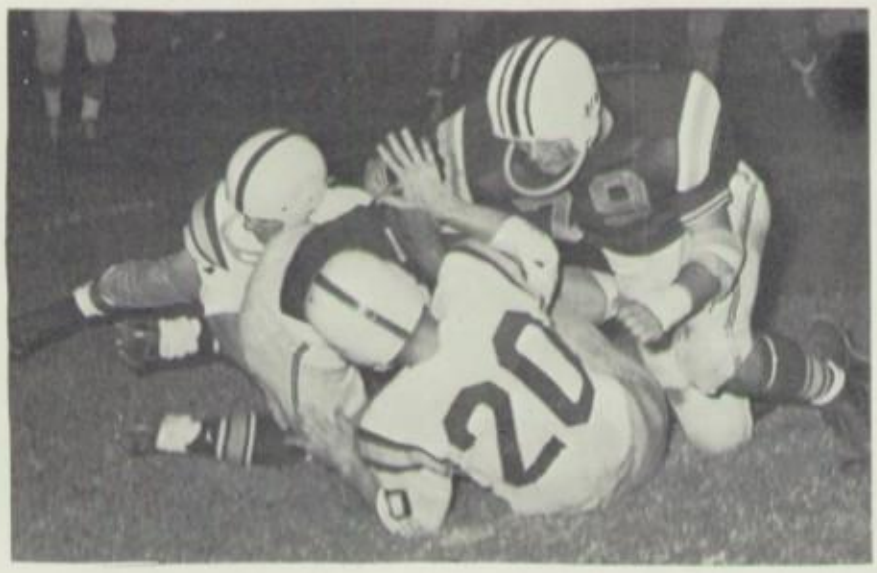
CRADOCK 21 **HARGRAVE 0**

Sept. 15

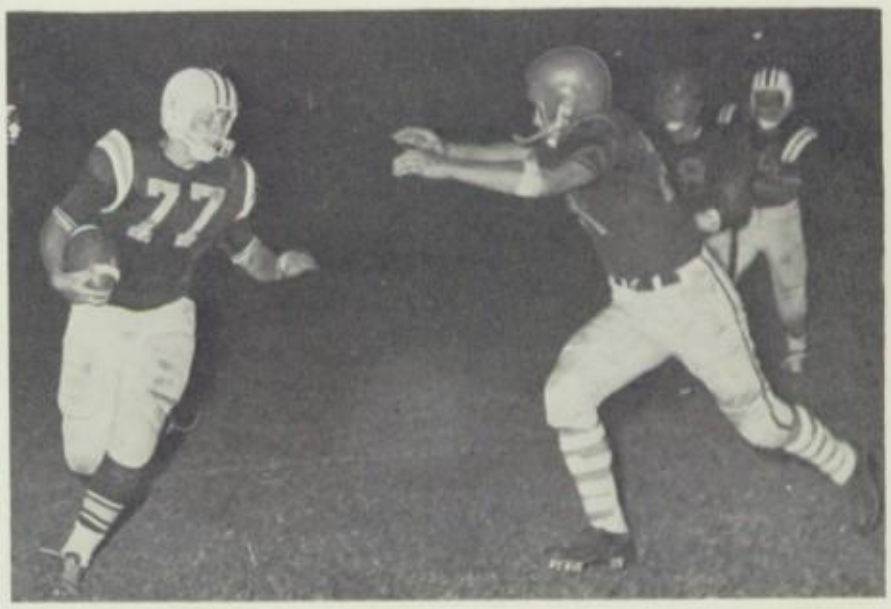
Cradock demonstrated a powerful running game in overcoming a heavier, more experienced Hargrave team. Eddie House captured the ground gaining honors with a total of 72 yards rushing for the three touchdowns. The defense of the Admirals played the best game of the season by keeping Hargrave from mustering a single point. Offensively Crouch and Morris set off two touchdowns by spearheading long drives and Jackie Kennedy ended a Hargrave threat by recovering a fumble.



CRADOCK 12 **GREAT BRIDGE 33**

Sept. 23

The Admirals lost their second game of the season to the powerful Great Bridge Wildcats. Cradock's biggest weakness proved to be our defense which was unable to contain the Great Bridge running game. Biggest standout for Cradock was Eddie House who scored two touchdowns to lead the Cradock offense.



CRADOCK 0 **OSCAR SMITH 12**

Oct. 6

Cradock went into the game with Oscar Smith with a record of 1-1. Oscar Smith scored in the second and fourth quarters after a hard fought defensive battle. Big men on defense were Pork Chop Kennedy and Jackie Morris who helped top the tiger running game. On offense Baker, House and Crouch played well, with Crouch leading the Cradock rushing with 29 yards.

CRADOCK 19 **GRANBY 14**

Oct. 13

Cradock scored their second victory of the season against the Granby Comets. Before a homecoming crowd of 5,500 the Admirals came to life in the fourth quarter on a touchdown pass from Allan Baker to end Mike Martin which put the Admirals in front 13-7. Baker, a few minutes later scored again on a 55 yard run to make the score 19-7. Eddie House scored the first touchdown with Jackie Morris and Mike Crouch also playing a very fine game for Cradock.

CRADOCK 20 **SUFFOLK 14**

Oct. 23

Morris, House and Crouch led Cradock to an uphill victory over Suffolk. Morris scored 2 touchdowns, one on a 69 yard pass play from Baker. House gained 132 of Cradock's 177 rushing yards and made a key pass interception in the third quarter. Crouch scored the second touchdown of the game on a 78 yard punt return to put Cradock ahead 13-0. Suffolk came back however in the second quarter and took the lead 14-13. But the Admirals won on a short pass from Baker to Morris at the start of the fourth quarter.

CRADOCK 19 **MAURY 27**

Oct. 27

Cradock lost an important game to the Maury Commadores by key fumbles in the first half. The Admirals scored twice in the first half on the running of Eddie House and passing of Allan Baker. In the second half the aroused Cradock defense held the Commodores scoreless, but th ehard playing Admirals could only score first on a pass from Baker to Morris. Eddie House was leading rusher with 77 yards.

CRADOCK 12 **PRINCESS ANNE 20**

Nov. 3

One of the closest games of the season was played against P.A. Cradock led at the half with a score of 12-7 on touchdowns by Eddie House—one in each quarter. After the half, the Admirals did not reach the Cavalier end zone again until the latter part of the fourth quarter, when Allan Baker intercepted a pass, made the longest run of the game, 90 yards, for a tremendous would-be touchdown. However it was called back because of a penalty. Crouch was leading rusher with 104 yards in 12 tries.

CRADOCK 14 **NORVIEW 46**

Nov. 10

Cradock lost to the powerful Norview Pilots after playing a close game until mid-way through the third quarter, when Norview pulled ahead and Cradock couldn't rally. Standouts for the Admirals were Eddie House who picked up 130 yards in 16 carries, Baker who scored Cradock's first touchdown on a 4 yard run, Morris who threw to Crouch for the last touchdown and Chinn who kicked one extra point and passed for another.

CRADOCK 19 **CHURCHLAND 7**

Nov. 17

Cradock gained it's fourth win of the season in a come-from-behind game with Churchland. The first touchdown was made in the opening quarter when Baker passed to Morris on the 14 and then House took charge, going across from the 6. In the second quarter after Churchland gained a 7-6 lead, the Admirals came back with a 29 yard pass-lateral from Baker to Morris to Crouch to the Churchland 19. Then Crouch went over for the touchdown to bring the Admirals ahead a tthe half, 13-6, with a kick from Chinn for the extra point. No other points were made until the fourth quarter.

Mgr. Steve Mutter

This year the Cradock cagers for the first time in history are favored to win the Eastern District Championship. Thus far they are 9-1 in conference play and 13-1 over all.

Cradock's leading scorers were Jackie Morris and Larry Chinn. Jackie leads the district in scoring with over 18 points per game.

The first team consists of Srs. Jackie Morris, Bobby Jeffries, Allan Baker, Jerry Yarborough, Roy Spears and Jrs. Paul Perdue and Larry Chinn.

With 2 games left to play (Hampton and Wilson) hopes are running high at Cradock for the Admirals First district championship.

Coach, Mr. Moon

Captains, Jay Smith, Harold Evans

TEAM HISTORY

The Admiral wrestling team this year had high hopes for a winning season but suffered a big loss when captains Jay Smith and Harold Evans were injured early in the season. Before they were injured, Evans had a 6-1 record and Smith's was 3-0.

The Admirals this year were lead by Gherman Briggs, Pork Chop Kennedy, Harold Evans, Bernie Combs, who all won six or more matches. Coach Moon hopes for a better season next year because he will have 8 veterans returning, all of whom have shown great promise for the future.

This year the Admirals will send ten boys to the District Wrestling Meet on Feb. 16-17 and to the State Meet on Feb. 23-24. Coach Moon thinks that the Admirals will surprise a lot of people.

The Admiral Honors

EDDIE HOUSE for his tremendous contribution to football at Cradock High School.

Since his freshman year he has been on the varsity football squad. In his Junior and Senior Years Eddie was a member of all city, all eastern, and All Tidewater teams and has once led in the eastern district in individual scoring with 105 points, and an average of 100 yards a game. In his senior year he was elected co-captain of the football team and over the past 4 years has proved a reliable ground gainer with a net total of 3,300 yards.

Other sports in which Eddie has participated include wrestling and track. He was on the wrestling team 3 years, during which time he complied a fine record.

As a member of the track team he showed great versatility by throwing the discus and shot-put, running the sprints and running on the relay team which presently holds the school record.

JACKIE MORRIS for the way he has led Cradock's basketball team to a record of 14-2 so far. Jackie has been on the Varsity squad since his sophomore year, and was in the starting line up his junior and senior years. On the court he is very versatile, he brings the ball down the court, plays to the right, and jumps center when necessary. In his junior year Jackie was leading scorer for half the season with an average of 16 points a game, and in his Senior year he was leading scorer and rebounder at Cradock, and leading scorer in the district with an average of 18 points a game. Last year he scored 275 points and this year the total came to 311.

Other sports he is active in are football, where in his senior year he was our best end, and track where he is a record holding high jumper.

MIKE CROUCH for the splendid job he has done in track.

He has been on the track team all four years of high school and has participated in the 100, 220, high hurdles, low hurdles, high jump, and mile relay. Last August Mike attended the A.A.U. meet in Norfolk, where he received a first place in high and low hurdles and placed in the broad jump. At Cradock he holds the record of 21 ft. ¾ of an inch in the broad jump and is co-holder in the mile relay record of 3.34.5. In his junior year he scored 110 points in track. A month ago Mike went to the Indoor State Track Meet where he claimed first place in low and high hurdles and placed third in the broad jump.

Mike has also been an active part of the Cradock football team fow the last few years as halfback.

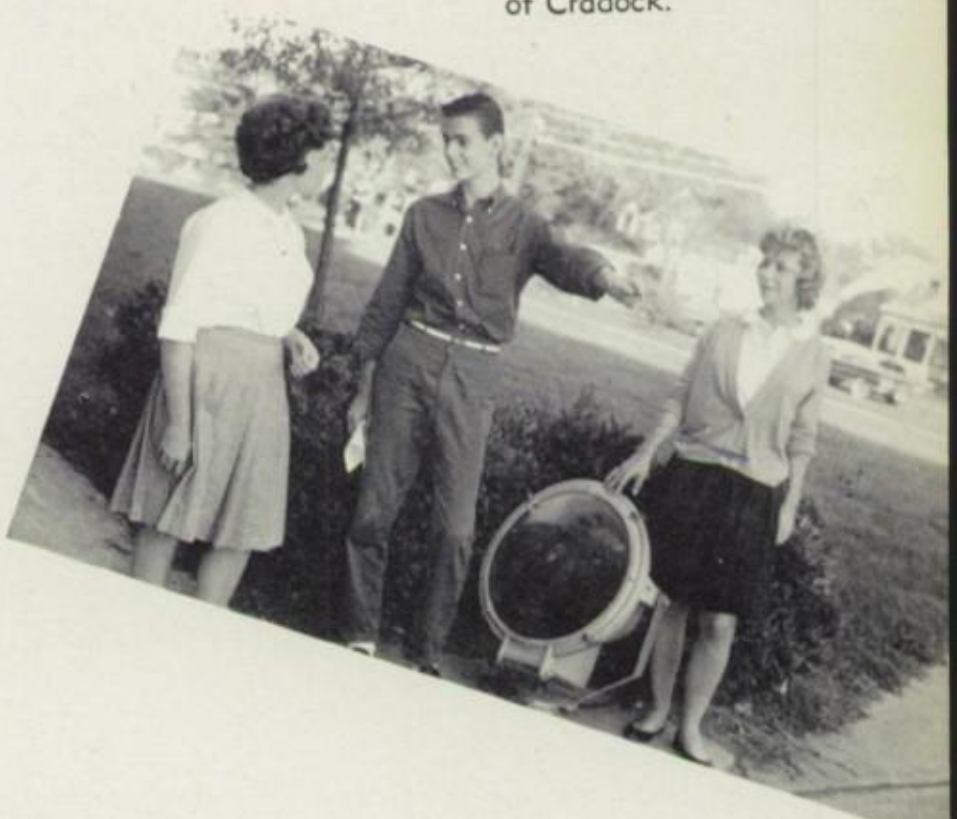
The light side of Cradock.



If you're looking for the happiest, busiest group of students in the school, the Student Council is the group to see.

The council, began its busy year even before the opening of school with orientation for the eighth grade and a coke party for the teachers.

When school started, there was the "Back-to-school" dance, the first assembly, and the homecoming activities.

The Council set up objectives for the year to help organize its work.

They were:

1. To promote within the student body an attitude of high moral standards with special emphasis on honor.

2. To promote school spirit in every phase of student life.

3. To promote within the student body an appreciation for their building and grounds and a desire for keeping them in good condition.

4. To promote within the student body an awareness of individual responsibilities and a feeling of cooperation in every phase of student life.

5. To promote within the student body a feeling of devotion to the welfare of their country as well as to their school. Many well-planned projects and activities helped to make the memories of this year happy ones.

National Honor Society

Officers: Brenda Skeleton, Linda Powell, Brenda Powell, Peggy VanSant, Mike Crouch, Merlene Waite, Kirk Wood.

Tutoring is our Business

To be eligible for membership in the National Honor Society, a student must have a 3.0 average. Having this average does not guarantee admission to the Society. Character, Leadership, and Service are also taken into account.

The purpose of this Society is to create an enthusiasm for scholarship to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character.

An impressive induction ceremony was held in December during which thirty new members were inducted.

A social event was planned for the new members to give them a chance to become acquainted with old members.

The National Honor Society helped the S.C.A. in sponsoring honor roll parties.

Members of the Society were "auctioned" off as "slaves" during Slave Day. The money raised was used for an honor roll party.

Inter-club Council

The Inter-club Council, which is composed of club presidents, meets each Tuesday before club days. Led by Kirk Wood, the council's purpose is to help clubs solve their problems. We offer service to the community through our year long clothing drive, and March of Dimes. The purpose is not only to serve the community but to boost our club program. We are hoping to have a successful year.

Officers: Julie Bateman, Kirk Wood, Richard Roark.

Choosing the "club of the month" proves to be a difficult task.

Kappa Tri-Hi-Y

Kappa girls support Admirals.

Officers: Peggy Nelson, President; Diane Rose, Historian; Carol Tyler, Chaplain; Leslie Hall, Treasurer; Pennie Danial, Cor. Secretary; Judy Murphy, Rec. Secretary; Brenda Shackelford, Vice-President.

Kappa Tri-Hi-Y is an organization of young Christian girls. Throughout the year we took part in many activities. We helped fill stockings for the Red Cross and helped with the March of Dimes drive. During this Drive, Kappa sponsored the "Mile of Pennies."

We were in charge of the Easter Dawn Service and held our Annual Mother-Daughter Banquet. The highlight of the year was our Cinderella Ball which took place in February. We were also chosen Club of the Month.

Special thanks goes to Susan Morlino.

Sigma Tri-Hi-Y

The purpose of the Sigma Tri-Hi-Y is to create, maintain and extend throughout the home, school and community, high standards of Christian Character.

Some of our activities during the year included: decorating a float for the homecoming, and distributing favors at Christmas time to sick people in the hospital. We also participated in the March of Dimes drive.

At least once a month we attended one of the local churches. At the end of the year we had a mother-daughter banquet.

The year 1961-1962 was very successful under the sponsorship of Mrs. Sarah Wood.

OFFICERS

Left to Right: Ernestine Nix, Karla Grant, Patsy Gillette, Letty Lucas, Barbara DePriest.

The purpose of Admirals Tri-Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian characters.

This year we have had many activities which, we feel, were of enjoyment and benefit to all. We entered a float in the Homecoming Parade, attended church as a group, visited Manning's Old Age Home, and made favors to take to the hospital. The Christmas party, Mother-Daughter Banquet, and April Showers Dance were just a few of our many activities.

We have tried to achieve a closer relationship with the school, Y.M.C.A., Hi-Y, and other Tri-Hi-Ys this year.

We extend our thank to Miss Teaford for her sponsorship and guidance this year in Admirals.

The Future Teachers of America is a state and national association where prospective teachers have the opportunity to work with teachers and pupils in the classroom while still in high school.

During the past year the F.T.A. has been very active. We sponsored a Book Fair which was held in conjunction with the Parent-Teacher Association "Back To School Night." Members of the club operated a book store during all three lunch periods regularly throughout the year. Our entry in the homecoming parade won a trophy for originality. The Future Teachers presented the Christmas assembly with Jutta Bohne as special guest.

The major project for the year was undertaken in the early spring when the Junior and Senior members took part in the student teaching program. Everyone who took part had a wonderful time and gained much useful experience.

Barbara, It's been fun being in English with you sometimes I feel like my picture ought to be on page 158, too! Good luck always Carolyn Cox. .62 (=2.0!)

Officers: Linda Martin, Joan Scarborough, Ginny Daughtery, Carolyn Cox, Shirley James, Julie Bateman.

Another busy day for F.T.A. members.

Barbara,
you are one of the sweetest girls I have ever met. You always have a smile and kind word for everyone. I'm very proud to have a friend such as you.

Future Nurses Of America

Officers: Shirley Brown, Maxine Bass, Judy Williams, Annette Riggs, Dott Jordan, Mary Atwood.

The F. N. A. members are quite proud of their club for being such a success in it's second year.

Our sponsors, Mrs. Edmonds and Mrs. Trent say that they hope we will keep expanding.

During the day six members devote their study hall period to assisting Mrs. Edmonds in the Infirmary. They are given the job of filing health cards, checking temperatures, weighing students and sending students with out passes back to class. We are active outside of school also. Since our tour of Norfolk General Hospital we have plans to visit other hospitals in the area sometime in the spring.

We are hoping to have club pins to wear in the near future.

The purpose of our club is to develop leadership in each member and to provide each member with a means of learning about the many vocational opportunities in the field of distribution.

Our club has been most active this year holding a professional club meeting each month, serving as host club for the District II D.E. convention in Richmond. Instead of a Christmas party this year we donated our club money to help a needy family have a Merry Christmas and it was indeed an honor for our club to have one of its members, Betty Whitehurst, serve as parliamentarian for all D.E. Clubs in Virginia for the school year 1961-1962.

Diversified Occupations

Under the leadership of our sponsor, Mr. L. R. Comey, our club has had a most successful year. Our aim is to develop leadership, fellowship, honesty, and continuity of diligent work and study.

Through various projects we hope that we have accomplished this aim and we also hope that members will possess an undying gratitude to this organization as they go forward into the future.

Officers: Shirley Butler, Reporter; Linda Powell, Treasurer; Carole Ellis, Secretary; Gloria Reary, Chaplain; Delena Jones, President; Roy Ward, Vice-President.

This year, with the help of our very able sponsor, Mr. Maxon and Mr. Maynard, the Science Club is making great strides forward in accomplishing its objectives, which are: to increase the member's knowledge of science; to learn to perfect skill in science; to give service in community and nation; to understand the importance of science in daily living; and to help carry out the program of the Future Scientists of America.

In addition to routine objectives and activities such as participating in homecoming, the Science Club has this year initiated a project, the development of a glide rocket, which will be continued through the years. This year, encouraged by the great success of their Elementary Science Fair held for the elementary school students of Portsmouth city, the Science Club plans to hold it again on a much bigger scale. We are looking forward to a very successful year.

Re-organized in 1957, the Ruth Credle Chapter of the National Quill and Scroll Society has become an active part of Cradock's extra-curricular program.

In the spring of the year, the annual induction ceremony was held for the purpose of officially initiating all the new members.

This year, besides having Miss Ruth Credle as its sponsor, the society is proud to announce that Mr. Paul Rule, the advisor of the **Shipmate,** is co-sponsor.

Guided by head coach, Mr. Mac Eure, and Mr. Charles Wade, the athletic club of Cradock has ideals for the betterment of the school and its individual members. To gain membership one must have earned a letter in some varsity sport. Its main purpose is to promote school spirit at Cradock's athletic events.

Amateur Radio Club

The goals of the Radio Amateur Club of Cradock High School are to help the many students who are interested in Radio Communication to get a license issued by the Federal Communication Commission and to operate an amateur radio station in their own home. These goals will be completed sometime before the school term is closed for the summer. Until then, Tom Nickelson, K4NEH, is helping these students to learn the American Morse Code and the written theory needed in order to pass the test given in Norfolk, by the Federal Communication Commissions. Also the members of the club will learn how to build and maintain a complete amateur radio station so that it may be used for the public interest during an emergency or peace time.

The Shipmate

Cradock High School, Portsmouth, Virginia November 1961

Published nine times during the school year, THE SHIPMATE has attempted to include all aspects of high school life in each issue. Every phase of Cradock has its own place of importance in the newspaper.

The introduction of several new type articles and columns have added special interest to our paper.

Through the dedicated effort of the new faculty advisor, Mr. Paul F. Rule, the entire SHIPMATE staff has profited from his leadership and instruction.

It is our wish that co-operation between the student body and THE SHIPMATE continue in the years to come.

Bellamy Award

In 1943 the Alexander Park High School received the second annual Bellamy Award for the State of Virginia. When that school ceased to function as a high school it became necessary to transfer the Award to another school. The Cradock High School was the logical choice since it also cared for the students who would have attended Alexander Park. In a letter to Mr. J. J. Booker, Jr., principal, Miss Margarette S. Miller, donor of the Award, wrote: "Your active and inspirational school has always impressed me with the 'community spirit' that pervades the student body, as well as the entire community of Cradock." The transfer of the Virginia Award was made on Francis Bellamy's birthday, May 18, 1951. The 20th Annual Bellamy Flag Award was presented to Topeka High School of Topeka, Kansas, on October 13, 1961.

Miss Margarette S. Miller, clerk at Cradock and donor of the National Bellamy Award, presents plaque at Topeka ceremony to distinguished alumnus, class of 1910, Dr. Karl Menninger, director of the Menninger Foundation.

Miss Cora Mae Fitzgerald, Director of the Department of Language Arts and Bellamy Award Associate, leads Topeka guests and student-faculty audience in Francis Bellamy's Pledge of Allegiance.

Misses Betsy Hoffler and Sandra Neathery, delegates, and Miss Mary Ann Ward, Cradock High and Virginia State representative to Kansas, draw books from THS library with the help of Mrs. Dorothy Boylan, library assistant. These seniors attended classes in Topeka during Bellamy Week.

Homecoming Festivities

October 1950 brought a new color to the horizon of Cradock High School HOMECOMING. It was at this time that homecoming was instituted in order to bring those back into the active family of C.H.S., those who were once members of its hallowed halls. It was felt that the un-ending spirit of C.H.S. that exists with her children should be gathered at least once a year to pay her, and for what she stands, homage.

Homecomings have always centered around the football game of the Fighting Admirals. Springing from this has been many varied activities. These activities have taken the form of dances, parades, Alumni receptions, pep rallys, banquets, and class reunions.

Each year the parade takes on a different theme and correlated with this has been the pre-game shows. Such themes have been: Holidays, Happy Birthday, Class Salute, Nursery Rhymes, Salute ot the U.N., Salute to Armed Forces, etc.

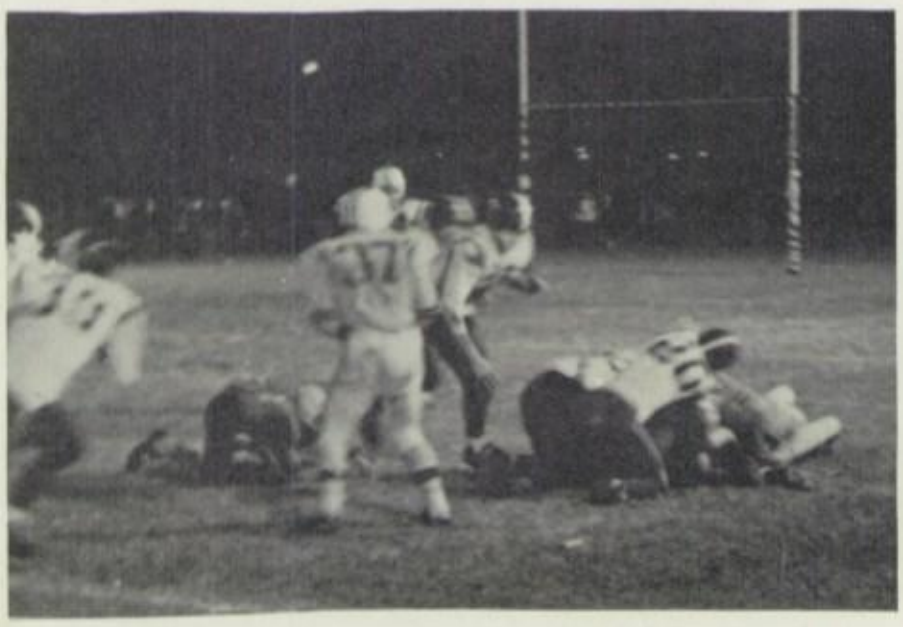
The selection of a royal couple to reign over the festivities has always created a great deal of excitement among the students of C.H.S. Wondering, voting and hoping their choice would win.

Yes, there is color everywhere. It looks as if the artist of autumn and the voice of spring has touched the existing area.

Homecoming has proven to be the un-ending spirit of "our unconquered Cradock High."

The faculty advisors, Miss Mounie and Mrs. Wood, give assistance to the student co-chairman, Peggy Nelson and Pam Hall.

Harriet has a happy smile on her face as she is driven in front of the student body, who elected her as a member of its Homecoming Royalty.



Cradock beats Maury in a very exciting game.

Homecoming festivities are topped off with a dance given in honor of the graduating classes of '34, '36, '37, and '43.

Mrs. James K. Hollomon

My advice to the Class of '62 is the same as that to the Class of '38. "Have a deep faith in God, in your country and justify and develop faith in yourself."

May I express the hope that your experiences at the Cradock High School have proved profitable and stimulating to you throughout the years. I am confident that you are now playing significant roles in your respective communities as you strive to use the best of the past to live more effectively in the present, and to prepare more successfully for the future.

Principal
H. I. Willet

Congratulations to the class of 1962 from the class of 1938 on this, the silver anniversary of the publication of the "ADMIRAL". We can only offer the advice given us by our mentors; "Keep a deep and abiding faith in your God, trust in your country and have confidence in your own selves."

Christmas Around the World

Judy's guests discuss what Christmas is like in their country.

Joan is all out for the brisk dances of Denmark.

"Silent Night, Holy Night."

The Bishop, who is equivalent to our Santa Claus, leaves the children of Holland their gifts which they are taught come from the Holy Child.

Billy Day presents Yutta Bonnhe a Cradock High School Senior class ring to give her something with which to remember the students of Cradock and to show her how very much we enjoyed her visit.

Spring Concerts

"All right kids, lets tear the roof off tonight!"

The band has a serious moment before the concert.

Mr. Steelman gives the signal and the band members prepare to begin their spring concert.

The Cradock High School Mixed Chorus presents "Voices of Spring."

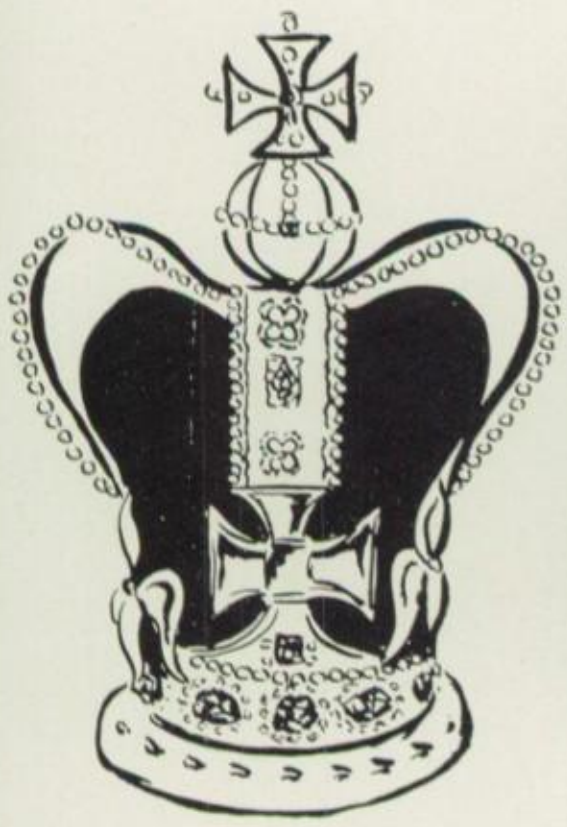
The audience listens attentively as the girls' chorus fills the auditorium with a pretty melody.

Ronnie's classmates smile happily as he is being presented the "Outstanding Chorus Member Award" by Sandy Williams, Miss Portsmouth of 1962.

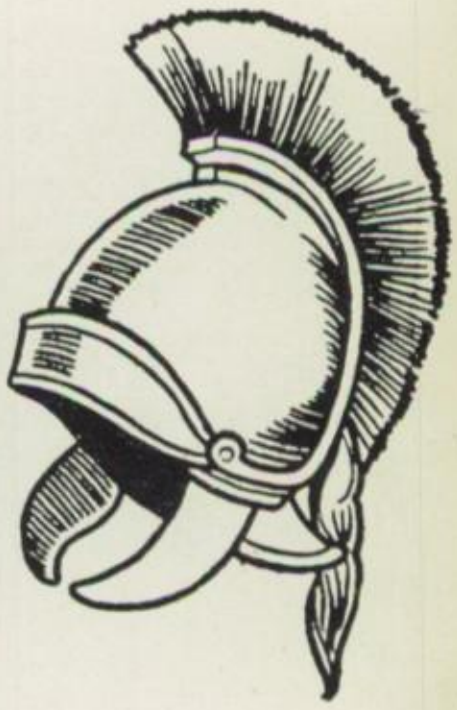
Camelot

The band fills the air with "crazy rhythm."

The girls are dancing with their "knights in shining armor."



Couples take time out to talk about the events of the evening.



Mrs. Metzler tells the band to "play something hot!"

"Let's eat, gang!"

Billy Day, student body president gives Miss Credle a letter saying she is welcome to come to all future games at Cradock free.

The Admiral Pays Tribute To A Teacher Everyone Loves— MISS RUTH CREDLE

The Admiral along with the whole school would like to honor Miss Ruth Credle, who has been one of the most faithful supporters of the Cradock High School football and basketball teams.

Miss Credle has seldom missed a home game of the two Cradock High teams since she has been teaching during the past 20 years. Miss Credle will retire in June and the teams want her to know that they appreciate her support.

A few months ago two basketball games were dedicated to her. The first one was at 7 p.m. between the senior girls and the women of the faculty, and the other was at 8 p.m. when the senior boys met the men teachers.

William Sindlinger, guidance counselor, served as master of ceremonies for the dedication between games.

Members of the faculty served as cheerleaders and also sold candy and cookies during the games.

Altogether, Miss Credle has taught school for 43 years. Before coming to Cradock she taught at Pantego High School in Pantego, N. C., where she was assistant principal. She was born in Pantego, graduated from Salem College, and did extension work at the University of Southern California and the College of William and Mary. She lives in Cradock on Cushing Street.

In addition to teaching English she has served as sponsor of the school's newspaper, "The Shipmate," for many years. The school's chapter of the Quill & Scroll is named in her honor.

Miss Credle was also presented with a trophy at these two games, and at a recent assembly the school gave her a television set to enjoy for many years.

Everyone at Cradock would like to wish her all the luck in the world.
